Surroundings & location

" Grandola is located in the the province of Alentejo. Here dictates the strength of the country the passage of time. Cities such as Elvas and Évora, proclaimed World Heritage site by Unesco, which bear witness to the persistence of the residents. Maybe that's the reason why culture and spirituality has such a pronounced character here. Testimonials from past can also be found in other cities such as Santarém, Portalegre and Beja. Thanks to the flat landscape this region is ideal for hiking, cycling or horse riding. You can combine this with bird watching and do not forget to visit the coastline of the Alentejo. There the landscape has high rocky cliffs and small sheltered beaches, many of which are ideal for surfing. Here you will also find the sweet aroma of the fields, the delicious spicy scents with which fish, seafood and other regional dishes are made. "
