" In the heart of SARLAT and outdoors: 800 m from the medieval heart, rental of an authentic House in solid wood, in a Park wooded and shaded 3 hectares, at the centre of a region, Périgord-Quercy, rich in tourist attractions. Home, cleanliness, comfort, good bedding, decoration neat, quality of services, free WI - FI. Nice pool to 'salt water', heated (28 ° C), 17 x 8 m, children's games, spaces, quiet and scenery. The heated pool is fully secured - with a small bath part and other diving pit. It is salt, water is very soft, not aggressive to the eyes and skin. Our hamlet (9 homes) holds its originality to be in nature, on a shady hillside Southwest, planted with a pine forest of tall trees, and at once, being very close to the city centre of SARLAT, Pearl the black Périgord (less than 15 minutes on foot). Our wooden houses are not the small houses of recreation, nor from simple 'self-catering', or even mobile homes, improved, these are real homes to live, made by hand, to the obvious ecological virtues. "

Culture

" Come and spend your holidays in Périgord Noir... The black Perigord where marry hospitality, gastronomy, prehistory, nature, fishing, quiet and relaxation for some, sports for others, in delta, paragliding, canoeing on the Vézère River or the Dordogne, horseback riding, walk on hiking trails, visits many prehistoric sites: Lascaux, Conquill, Roque St Christophe, Cazelle rock. Castles or natural attractions such as the castles of Losse and Barretto, the gouffre de Proumeyssac. The villages of La Roque Gageac, Domme, Sergeac, Tannies, and St Léon are small villages or time seems to have stopped on the tanned stones. It is good to live in Périgord. In the spring the flowers burst of colors, the days are already long, special light. In the summer, everything is done to take advantage of the Sun in a holiday atmosphere: swimming pools, terraces... In the autumn, calm returns to the country. This is the time where the landscape is the most seductive: trees adorned with flamboyant colours and the horizon bathed in a veil of light rose make the most romantic season. Sarlat is the economic capital and artistic of the Périgord Noir, this medieval jewel presents an urban ensemble of the 13th and 16th centuries unique in Europe. The city is the major tourist site of exceptionally rich in historical and cultural attractions... "
