" This stone house combines a traditional character and a contemporary look in its restoration: old chestnut beams, windows in Freestone, antique furniture but also concrete floor wax, metal staircase. The house of 70 m2 can accommodate up to 5 people and consists of 2 bedrooms. A walk-in shower as well as a lava stone sink were installed upstairs, accessible from the 2 rooms. It includes a pleasant stay with a beautiful high ceiling, particularly light thanks to the large bay window overlooking the terrace. It is equipped with a kitchenette and a living room with flat screen TV. An opened kitchen has everything you need for meals. An iron staircase provides access to the gateway with a sitting area and private terrace without vis-à-vis and a breathtaking view over the surrounding valleys. "
