" You like only the sea? You can choose the beach or one of the many lidos. You can choose the beach with pebbles or sand but not in the water where you can always find sand. You like to do some sightseeing? The history buff visiting the ruins of Sybaris and its Museum, those who love to relax at the spa or goes, or the whole family at the cave of the nymphs, very special and very much appreciated by young and old alike. If you like action and a bit of risk go to Raganello gorges, or go one day to be grilled in the mountains a few kilometers. If you like nature await Pollino natural park or that of Sila. "
